

Molly

Ween

Tell me what you want and I'll give it to you
You name it easy, baby, I'll name it, ooh
Would you name despondent monkey, I'll go on and name it too
Molly, Molly, Molly, Molly, Molly, Molly, Molly [Repeat x 5]

Cough me a glob of hardened mercy and I'll zip it, ooh
Tell you fetch that mercy and you know I'm gonna fetch it too
You fetch, you fetch that mercy and you know he's gonna dig it
too
Molly, Molly, Molly, Molly, Molly, Molly, Molly [Repeat x 5]

So tell it to me baby and tell me wishes, ooh
Come on the beat's approaching and it's time to stop on, ooh
Baby, Eddie Dingle's coming over and Bobby's uncle, ooh
Molly, Molly, Molly, Molly, Molly, Molly, Molly [Repeat x 5]

Actually, Rip Van Winkle and a-tinkle dinkle dinkle ooh ooh
Rip Van Winkle say "Fuck You"
Man I miss you man Rip Van Winkle say "Fuck You"
Molly, Molly, Molly, Molly, Molly, Molly, Molly [Repeat x 5]

Tell me what you want and I'll give it to you
You name it easy, baby, I'll name it ooh
You name despondent monkey, I'll go on and name it too
Molly, Molly, Molly, Molly, Molly, Molly, Molly [Repeat x 5]
