

# Piss Up a Rope

Ween

My dinner's on fire while she watches TV  
And if you've ever wondered what it's like to be me  
She takes all my money and leaves me no smokes  
Yells at my buddies and insults my folks

I'm breakin' my back, doin' the best that I can  
She's got time for the dog and none for her man  
And I'm no dope, but I can't cope  
So hit the fuckin' road and piss up a rope

You can piss up a rope and you can put on your shoes  
Hit the road, get truckin', pack your bag, I don't need the ag  
On your knees you big, booty bitch start suckin'

You ride my ass like a horse in a saddle  
Now you're up shits creek with a turd for a paddle  
And I can't cope, piss up a rope

Uh, you can piss up a rope and feel the pissy dribble  
You can piss up a rope and watch me giggle  
For the last six months, I been packin' your bag  
You can wash my balls with a warm, wet rag

Till my balls feel smooth and soft like silk  
I'm sick of your mouth and your two percent milk  
And I'm no dope, but I've lost all hope  
So hit the fuckin' road and piss up a rope

You can piss up a rope and you can put on your shoes  
Hit the road, get truckin', pack your bag, I don't need the ag  
On your knees you big, booty bitch start suckin'

You ride my ass like a horse in a saddle  
Now you're up shits creek with a turd for a paddle  
And I can't cope, piss up a rope

You can piss up a rope and you can put on your shoes  
Hit the road, get truckin', pack your bag, I don't need the ag  
On your knees you big, booty bitch start suckin'

You ride my ass like a horse in a saddle  
Now you're up shits creek with a turd for a paddle  
And I can't cope, piss up a rope

You can piss up a rope and you can put on your shoes  
Hit the road, get truckin', pack your bag, I don't need the ag  
On your knees you big, booty bitch start suckin'

You ride my ass like a horse in a saddle  
Now you're up shits creek with a turd for a paddle  
And I can't cope, piss up a rope
