

Push th' Little Daisies

Ween

When you lie, kiss your baby bye bye bye
And if you're true, the whole wide world will laugh with you
When we see nothing's wrong with you and me
Time will tell, it might even bring a wedding bell

If you think that I'm a loser
Well you suck, 'cause you know I ain't nothin' but a user
Of your love I can't get enough
Girl it's true, the whole wide world is smiling with you

Push th' little daisies and make 'em come up
Push th' little daisies and make 'em come up
Push th' little daisies and make 'em come up
Push th' little daisies and make 'em come up

Sometimes I know, and sometimes I'm on the go
But I'm comin' back, so don't give me no flack, yeah
It's all you, and it's me too
And it's your world, you's the girl, you's the girl
Happier than shit, things that might go click with me
Click with you, is that love? Is that love, ohhh...

Push th' little daisies and make 'em come up
Push th' little daisies and make 'em come up
Push th' little daisies and make 'em come up
Push th' little daisies and make 'em come up

Push th' little daisies and make 'em come up
Push th' little daisies and make 'em come up
Push th' little daisies and make 'em come up
Push th' little daisies and make 'em come up

Watch the little daisies grow, little daisies grow
Now just push th' little daisies and make 'em come up
Watch them grow, watch them grow
As I push the little daisies and make 'em come up
Make 'em come up, make 'em come up,
Make 'em come up, say

Push th' little daisies and make 'em come up
Push th' little daisies and make 'em come up
Push th' little daisies and make 'em come up
Push th' little daisies and make 'em come up

Push th' little daisies and make 'em come up
Push th' little daisies and make 'em come up
Push th' little daisies and make 'em come up
