

She Wanted to Leave

Ween

Three men is all they were.
Three men out at sea.
Three men came aboard my ship and took my true love from me.
I couldn't believe
She wanted to leave
She wanted to leave.

I loved you so long.
Since you were a child.
I've cared for your every need.
I've tried to make you smile.
And all the while
You wanted to leave
You wanted to leave.

Go gather the guns.
We'll blast them at sea.
She begged for me not to shoot,
"For my true love is here with me."
I've never loved thee
Now I must leave
Now I must leave.

So go fetch a bottle of rum dear friends and fill up my glass t
o the rim.
For I'm not the man I used to be
Now I'm one of them.
