

## Back to the Shack

Weezer

Sorry guys I didn't realize that I needed you so much  
I thought I'd get a new audience, I forgot that disco sucks  
I ended up with nobody and I started feeling dumb  
Maybe I should play the lead guitar and Pat should play the drums

Take me back, back to the shack  
Back to the strat with the lightning strap  
Kick in the door, more hardcore  
Rockin out like it's '94  
Let's turn up the radio  
Let's turn off those stupid singing shows  
I know where we need to go:  
Back to the shack

I finally settled down with my girl and I made up with my dad  
I had to go and make a few mistakes so I could find out who I am  
I'm letting all of these feelings out even if it means I fail  
Cause this is what I was meant to do and you can't put that on sale

Take me back, back to the shack  
Back to the strat with the lightning strap  
Kick in the door, more hardcore  
Rockin out like it's '94  
Let's turn up the radio  
Let's turn off those stupid singing shows  
I know where we need to go:  
Back to the shack

We belong in the rock world  
There is so much left to do  
If we die in obscurity, oh well  
At least we raised some hell

Take me back, back to the shack  
Back to the strat with the lightning strap  
Kick in the door, more hardcore  
Rockin out like it's '94  
Let's turn up the radio  
Let's turn off those stupid singing shows  
I know where we need to go:  
Back to the shack
