

December

Weezer

Only love can ease the pain
Of a boy caught in the rain

Only hope will remember
Burning flames in December

Only love
Only love...

Only faith can bring to life
One who falls by the wayside

Only trust can inspire
A soggy nose to breathe fire

Only love
Only love...

It's only natural
The moon is just half full
We give our best away
We give our best away
Only love...

Only trust can inspire
A soggy nose to breathe fire

Only love
Only love...

Only love
Only love...
