

Dope Nose

Weezer

ohh whoa whoa ohh ohh ohh
ohh whoa whoa ohh ohh ohh

Debt on my head
Wasting time on my own
Sleep, rescue me
Take me back to my home (Oh take me home)

For the times
That you wanna go
And bust rhymes real slow
I'll appear
Slap you on the face
And enjoy the show

ohh whoa whoa ohh ohh ohh
ohh whoa whoa ohh ohh ohh

Cheese smells so good
On a burnt piece of lamb (Cheese on what?)
Fag of the year
Who could beat up your man

For the times
That you wanna go
And bust rhymes real slow
I'll appear
Slap you on the face
And enjoy the show

ohhhhhhhhh
this dope nose

ohh whoa whoa ohh ohh ohh
ohh whoa whoa ohh ohh ohh

For the times
That you wanna go
And bust rhymes real slow
I'll appear
Slap you on the face
And enjoy the show

Oh, this dope nose
