

Dreamin'

Weezer

I'm dreamin' in the mornin'
I'm dreamin' all through the night
And when I'm dreamin' I know that it's all right
Woo hoo hoa

I'm dreamin' in the evenin'
I'm dreamin' all through the day
And when I'm dreamin' I know that it's okay
Woo hoo hoa

Daddy says I've gotta pay some bills
So I can learn to be responsible
Some day I'll have a family of my own
And they will need for me to be full grown

But I'm dreamin' in the mornin'
I'm dreamin' all through the night
When I'm dreamin' I know that it's all right
Woo hoo hoa

I'm dreamin' in the evenin'
I'm dreamin' all through the day
And when I'm dreamin' I know that it's okay
Woo hoo hoa

Teacher says I gotta learn some facts
So I can make it in the Widener Stacks
These are days that will define my life
I shouldn't waste them on these friends of mine

But I gotta be a big boy
('Cause I really want a chance)
Woah
Gotta pick up my toys
('Cause I really want a chance)

When I start to feel the feeling comin' over me
(I really want a chance)
I soon forget all about responsibility
(I really want a chance)
I walk around in a wide awake daydream
(I really want a chance)
Things are better out here than they might seem

There are bluebirds in the meadows
And the bees are flying around
And the goslings at the river
At a loss so far from the ground

I am running
(I am running)
Through the meadow
(Through the meadow)
And the sun is
(And the sun is)
Shining on me
(Shining on me)

I am singing
 (I am singing)
My voice is ringing
 (My voice is ringing)
I can sing so loud
 (I can sing so loud)

And the angels
 (And the angels)
In the heavens
 (In the heavens)
They are wondering
 (They are wondering)
Why am I so glad?
 (Why am I so glad?)

Why am I so glad?
 (Why am I so glad?)
Why am I so?
 (Why am I so?)
Why am I so?
 (Why am I so?)

I am running
 (I am running)
Through the meadow
 (Through the meadow)
And the sun is
 (And the sun is)
Shining on me
 (Shining on me)

I am singing
 (I am singing)
My voice is ringing
 (My voice is ringing)
I can sing so loud
 (I can sing so loud)

And I'm dreamin' in the mornin'
I'm dreamin' all through the night
And when I'm dreamin' I know that it's all right
Woo hoo hoa

I'm dreamin' in the evening
I'm dreamin' all through the day
And when I'm dreamin' I know that it's okay
Woo hoo hoa

(Woo hoo)
Hoa
(Woo hoo)
Hoa
(Woo hoo)
Hoa
(Woo hoo)
Woah
