

# Dreamin'

Weezer

I'm dreamin' in the mornin'  
I'm dreamin' all through the night  
And when I'm dreamin' I know that it's all right  
Woo hoo hoa

I'm dreamin' in the evenin'  
I'm dreamin' all through the day  
And when I'm dreamin' I know that it's okay  
Woo hoo hoa

Daddy says I've gotta pay some bills  
So I can learn to be responsible  
Some day I'll have a family of my own  
And they will need for me to be full grown

But I'm dreamin' in the mornin'  
I'm dreamin' all through the night  
When I'm dreamin' I know that it's all right  
Woo hoo hoa

I'm dreamin' in the evenin'  
I'm dreamin' all through the day  
And when I'm dreamin' I know that it's okay  
Woo hoo hoa

Teacher says I gotta learn some facts  
So I can make it in the Widener Stacks  
These are days that will define my life  
I shouldn't waste them on these friends of mine

But I gotta be a big boy  
( 'Cause I really want a chance)  
Woah  
Gotta pick up my toys  
( 'Cause I really want a chance)

When I start to feel the feeling comin' over me  
(I really want a chance)  
I soon forget all about responsibility  
(I really want a chance)  
I walk around in a wide awake daydream  
(I really want a chance)  
Things are better out here than they might seem

There are bluebirds in the meadows  
And the bees are flying around  
And the goslings at the river  
At a loss so far from the ground

I am running  
(I am running)  
Through the meadow  
(Through the meadow)  
And the sun is  
(And the sun is)  
Shining on me  
(Shining on me)

I am singing  
    (I am singing)  
My voice is ringing  
    (My voice is ringing)  
I can sing so loud  
    (I can sing so loud)

And the angels  
    (And the angels)  
In the heavens  
    (In the heavens)  
They are wondering  
    (They are wondering)  
Why am I so glad?  
    (Why am I so glad?)

Why am I so glad?  
    (Why am I so glad?)  
Why am I so?  
    (Why am I so?)  
Why am I so?  
    (Why am I so?)

I am running  
    (I am running)  
Through the meadow  
    (Through the meadow)  
And the sun is  
    (And the sun is)  
Shining on me  
    (Shining on me)

I am singing  
    (I am singing)  
My voice is ringing  
    (My voice is ringing)  
I can sing so loud  
    (I can sing so loud)

And I'm dreamin' in the mornin'  
I'm dreamin' all through the night  
And when I'm dreamin' I know that it's all right  
Woo hoo hoa

I'm dreamin' in the evening  
I'm dreamin' all through the day  
And when I'm dreamin' I know that it's okay  
Woo hoo hoa

(Woo hoo)  
Hoa  
(Woo hoo)  
Hoa  
(Woo hoo)  
Hoa  
(Woo hoo)  
Woah
