I'm dreamin' in the mornin'
I'm dreamin' all through the night
And when I'm dreamin' I know that it's all right
Woo hoo hoa
I'm dreamin' in the evenin'
I'm dreamin' all through the day
And when I'm dreamin' I know that it's okay
Woo hoo hoa
Daddy says I've gotta pay some bills
So I can learn to be responsible
Some day I'll have a family of my own
And they will need for me to be full grown
But I'm dreamin' in the mornin'
I'm dreamin' all through the night
When I'm dreamin' I know that it's all right
Woo hoo hoa
I'm dreamin' in the evenin'
I'm dreamin' all through the day
And when I'm dreamin' I know that it's okay
Woo hoo hoa
Teacher says I gotta learn some facts
So I can make it in the Widener Stacks
These are days that will define my life
I shouldn't waste them on these friends of mine
But I gotta be a big boy
('Cause I really want a chance)
Gotta pick up my toys
('Cause I really want a chance)
When I start to feel the feeling comin' over me
 (I really want a chance)
I soon forget all about responsibility
  (I really want a chance)
I walk around in a wide awake daydream
  (I really want a chance)
Things are better out here than they might seem
There are bluebirds in the meadows
And the bees are flying around
And the goslings at the river
At a loss so far from the ground
I am running
  (I am running)
Through the meadow
  (Through the meadow)
And the sun is
  (And the sun is)
Shining on me
  (Shining on me)

I am singing
       (I am singing)
     My voice is ringing
        (My voice is ringing)
      I can sing so loud
        (I can sing so loud)
     And the angels
        (And the angels)
      In the heavens
        (In the heavens)
      They are wondering
        (They are wondering)
     Why am I so glad?
        (Why am I so glad?)
     Why am I so glad?
        (Why am I so glad?)
      Why am I so?
        (Why am I so?)
     Why am I so?
        (Why am I so?)
      I am running
        (I am running)
     Through the meadow
       (Through the meadow)
     And the sun is
        (And the sun is)
      Shining on me
        (Shining on me)
      I am singing
        (I am singing)
     My voice is ringing
       (My voice is ringing)
      I can sing so loud
        (I can sing so loud)
     And I'm dreamin' in the mornin'
      I'm dreamin' all through the night
     And when I'm dreamin' I know that it's all right
     Woo hoo hoa
      I'm dreamin' in the evening
     I'm dreamin' all through the day
     And when I'm dreamin' I know that it's okay
     Woo hoo hoa
      (Woo hoo)
     Ноа
      (Woo hoo)
     Ноа
      (Woo hoo)
     Ноа
      (Woo hoo)
