

# Go Away

Weezer

Cold hearted girl  
Don't hurt me like this anymore  
I'm waiting by outside your door  
Saying, "Baby, can we talk?"

Stupid boy, you keep on begging but I won't let you in  
You keep on crying but you know what you did  
I'll never let you back in

You say, "Go away, go away"  
Go away, go away, go away  
Go away, go away, go away  
Don't come back here anymore  
Go away

I was wrong, I hurt your feelings when I did what I did  
I learned my lesson I'll stop acting like a kid  
Can you give me one more chance?

So I ask, what did she have what I don't have?  
You said you'd stay but then you went away  
That's why I'm telling you to go away

You say, "Go away, go away"  
Go away, go away, go away  
Go away, go away, go away  
Don't come back here anymore  
Go away"

But my life is incomplete without you  
And you miss the little things that I do  
I do, won't you take me back  
That was your last chance

Go away, go away  
Go away, go away, go away  
Go away, go away, go away  
Don't come back here anymore  
Go away
