Holiday

Let's go away for a while You and I To a strange and distant land Where they speak no word of truth But we don't understand anyway Holiday Far away To stay On a holiday Far away Let's go today In a heartbeat! Heartbeat Heartbeat Don't bother to pack your bags Or your map We won't need them where we're going We're going where the wind is blowing Not knowing where we're gonna stay Holiday Far away To stay On a holiday Far away Let's go today In a heartbeat! Heartbeat Heartbeat Heartbeat Heartbeat We will write a postcard To our friends and family In free verse On the road with Kerouac Sheltered in his Bivouac On this road we'll never die... Heartbeat Heartbeat Let's go away for a while You and I To a strange and distant land Where they speak no word of truth But we don't understand anyway Holiday Far away To stay On a holiday Far away
