

# I Don't Want Your Loving

Weezer

You are cool and you're hot  
And you know what you've got  
You can have anyone  
You just call and they come  
But I won't be a number on your list  
I have way too much pride to go for this

Cuz I don't want your lovin'  
I don't want your love  
You came back this morning  
But I don't want your love

When I turn you away  
You don't know what to say  
Every word that you know  
Gets caught up in your throat  
Because nobody ever turned you down  
Well I guess you had better learn to frown

Cuz I don't want your lovin'  
I don't want your love  
You came back this morning  
But I don't want your love

Ooh, why don't you tell me goodbye  
Ooh, why don't you tell me, why don't you tell me goodbye

So I won't be a number on your list  
I have too much pride to go for this

Cuz I don't want your lovin'  
I don't want your love  
You came back this morning  
But I don't want your love

Cuz I don't want your lovin'  
I don't want your love  
I don't want your lovin'  
You can hang it up
