

# I Just Threw Out the Love of My Dreams

Weezer

I'm so tall, can't get over me  
I'm so low, can't get under me  
I must be all these things  
For I just threw out the love of my dreams

He is in my eyes, he is in my ears  
He is in my blood, he is in my tears  
I think of, and see him every day  
Even though my love is a world away

Oh he's got me wondering  
My righteousness is crumbling

Never before have I felt this way  
No one is right, want for him to stay  
I must be made of steel  
For I just threw out the love of my dreams

He is in my eyes, he is in my ears  
He is in my blood, he is in my tears  
I think of, and see him every day  
Even though my love is a world away

Oh, he's got me wondering  
My righteousness is crumbling  
Oh, he's got me wondering  
My righteousness is crumbling

Oh, he's got me wondering  
My righteousness is crumbling  
And I see him every day  
Even though my love has walked away

He is in my eyes, he is in my ears  
He is in my blood, he is in my tears  
I must be made of steel  
For I just threw out the love of my dreams
