Now we're ready
In the mall, I was in the mall
Keep it steady
In the mall, I was in the mall
In the mall!
Holidays are on their way, these decorations have so much to sa
Loses meaning, going west, don't get facetious or you don't get
the best
Bells are ringing
In the mall, I was in the mall.
Now we're singing
In the mall, I was in the mall.
I was in the mall! I was in the mall!

In the mall, I was in the mall
I was in the mall, in the mall!
