

My Best Friend

Weezer

When everything is wrong
I come talk to you
you make things alright
when I'm feelin' blue

You are such a blessing
and I won't be messing
with the one thing that brings light
to all my darkness

You're my best friend
and I love you (love you)
and I love you (love you)
yes I do

There is no other one
who can take your place
I feel happy inside
when I see your face

I hope you believe me
'cause I speak sincerely
and I mean it when I tell you
that I need you

You're my best friend
and I love you (love you)
and I love you (love you)
yes I do

I'm here right beside you
I will never leave you
and I feel the pain you feel
when you start crying

You're my best friend
and I love you (love you)
and I love you (love you)
yes I do

You're my best friend
and I love you (love you)
and I love you (love you)
yes I do
yes I do
yes I do
