

Pardon Me

Weezer

I tried my best
I gave my all
Sometimes my best wasn't good enough for you
Sometimes I let you go
Sometimes I hurt you so
I know that I can be the meanest person in your world

So I apologize to you
And to anyone else that I hurt too
I may not be a perfect soul
But I can learn self control
So pardon me, pardon me, pardon me my friend

I never thought
That anyone was more important than the plans I made
But now I feel the shame
There's no one else to blame
For all the broken hearts are scattered on the field of war

So I apologize to you
And to anyone else I hurt too
I may not be a perfect soul
But I can learn self control
So pardon me, pardon me, pardon me my friend

Sometimes I let you go
Sometimes I hurt you so
I know that I can be the meanest person in the world

So I apologize to you
And to anyone else that I hurt too
I may not be a perfect soul
But I can learn self control
And in my heart I feel it's true
So I will be there with you
So pardon me, pardon me, pardon me my friend
(I'm with you)
Pardon me
(I'm with you)
my friend
(I'm with you)
Pardon me
(I'm with you)
my friend
