

# Possibilities

Weezer

Give it all away  
Give it all away

Oh, oh  
Possibilities  
Take you home with me  
In your arms

I never thought I'd do that  
Take me all the way  
And let your body stay

Oh, oh  
Take me by the hand  
Let me be the man in your arms

I never thought I'd do that  
Take me all the way  
And let your body stay

Oh, you're gone  
Oh, you're gone  
You're gone, you're gone to stay

I never thought I'd do that  
Take me all the way  
And let your body stay

Oh, you're gone  
Oh, you're gone  
You're gone, you're gone to stay

Oh-oh, oh  
Oh-oh, oh  
Oh-oh, oh  
I need you  
I plead you now  
Fall together, get up

Yeah, yeah, yeah
