

# Take Control

Weezer

Leave me now,  
Show me how.

And I won't be ashamed,  
Of the things we once made,  
And I won't be coming back  
'Round here no more.

Lead and try,  
Tell me why.

And I won't let you down,  
Drag your name all over town,  
And I won't be comin' back  
'Round here no more.

Yo everyone, everyone,  
Everyone I know,  
Take control.

And I won't let you down,  
Drag your name all over town,  
And I won't be comin' back  
'Round here no more.  
Yo everyone, everyone,  
Everyone I know,  
Take control.
