

We Are All on Drugs

Weezer

When you're out with your friends
In your new Mercedes Benz
And you're on drugs
And you show up late for school
'Cause you think you're really cool
When you're on drugs

And you put on your headphones
And you step into the zone
When you're on drugs
But the world don't care
If you are or are not there
'Cause you're on drugs

Give it to me
We are all on drugs, yeah
Never getting enough
Never get enough
We are all on drugs, yeah
Give me some of that stuff

And you twitch in your sleep
'Cause you wanna hit the street
When you're on drugs
And you cause such a fuss 'cause
There's no one you can trust
When you're on drugs

And the best of your days
Will all vanish in the haze
When you're on drugs
And you wish you could quit
'Cause you're really sick of it
But you're on drugs

Give it to me
We are all on drugs, yeah
Never getting enough
Never get enough
We are all on drugs, yeah
Give me some of that stuff

I want to reach a higher place
Where things will never be the same

Give it to me
We are all on drugs, yeah
Never getting enough
Never get enough
We are all on drugs, yeah
Give me some of that stuff

We are all on drugs
(We are all on drugs)
We are all on drugs
(We are all on drugs)
We are all on drugs

(We are all on drugs)
We are all on drugs
