

## Cable TV

"Weird Al" Yankovic

I used to think my life was so empty  
I used to think life was passin' me by  
Well, I was just about ready  
To curl up and die  
But then one day I got a visit  
From the cable company  
Well, they hooked me up and plugged me right in  
And now I got cable TV  
And now I get to watch the stock report in Korean  
Midget wrestling on channel three  
It costs me fifty bucks a month just to see 'em  
Yeah, but that's all right with me  
I got cable TV (Cable TV)  
Cable TV (Cable TV)  
Oh, eighty-three channels of ecstasy  
I love my cable TV, yeah  
I love my cable TV  
I got the Siamese Faith Healer's Network  
The news and weather from Peru  
I got celebrity hockey  
The Racketball Channel too  
Bugs Bunny direct from Atlanta  
Mr. Wizard is on at five  
I got a satellite dish on the trunk of my car  
So I can watch MTV while I drive  
I'm talkin' 'bout real quality programs  
The kind you just can't get for free  
Now I never wanna leave my apartment  
'Cause there's just so much for me to see  
On my cable TV (Cable TV)  
Cable TV (Cable TV)  
Well, if you need to find me  
You know where I'll be  
Watchin' my cable TV, yeah  
Watchin' my cable TV  
'Cause I love my cable TV, yeah  
I love my cable TV  
My friends are gettin' kinda worried  
They think I'm turning into some kinda freak  
Oh, but they're just jealous 'cause I've seen Porky's  
Twenty-seven times this week  
On my cable TV (Cable TV)  
Cable TV (Cable TV)  
Yeah, the greatest thing that's ever happened to me  
I love my cable TV, yeah  
I love my cable TV  
Well, I got to have cable TV, yeah  
I need my cable TV  
Well, I love, I love my cable TV (TV)  
Got to have cable TV (TV)  
Well, I got to have my cable TV, yeah (TV)  
Can't live without my cable TV  
Well, I said, got to have some cable TV (TV)  
I've got to have my cable TV  
I said cable TV, yeah (TV)  
Got to have cable TV
