

Jerry Springer

"Weird Al" Yankovic

It's been one week since we got to see
Cheatin' lovers and cousins that marry
Five days since they had the show
With the hermaphrodite, the slut, and the crack ho
Three days since we heard the tale
About the guy who learned his woman was a she-male
Yesterday it occurred to me

Who sucker-punched his whole family
Do you recall when the brawl

And Jerry's in the middle tryin' to be the referee
Hey, see the stripper with the implants
She likes to lap dance
And date the boyfriend of her mother
Now here come's Jerry's next guest
And it's a slugfest
'Cause it's her trailer trash brother
Nymphomaniac is back on crack
It's like
