

## Midnight Star

## "Weird AI" Yankovic

I was waiting in the express lane with my twelve items or less  
At the checkout counter at the local grocery store  
I was only passin' by  
But a paper caught my eye  
And I learned a few things I never knew before

It said your pet may be an extraterrestrial  
It said the ghost of Elvis is living in my den  
You can learn to cope with stress  
You can beat the IRS  
And the incredible frog boy is on the loose again

Oh, Midnight Star  
It's in the weekly Midnight Star  
Aliens from outer space are sleeping in my car  
Midnight Star, I wanna know, I wanna know

Eat jelly doughnuts, and lose twenty pounds a day  
Hear the story of the man born without a head  
And top psychics all agree  
That the telephone company  
Will have a brand new service that lets you talk to the dead

Oh, Midnight Star  
You can believe it if you read it in the weekly Midnight Star  
They're keeping Hitler's brain alive inside a jar  
Midnight Star, I wanna know, I wanna know

Tell me, tell me, tell me how to make my bust-line grow  
Midnight Star, I wanna know

Oh, Midnight Star  
Well, don't you know that I read it, I read it in the weekly Midnight Star  
The UFOs have landed, and we'll tell you where they are  
Midnight Star, I wanna know, I wanna know

Midnight Star  
Well, you can read all about in in the weekly Midnight Star  
You can use your ESP to learn to play guitar  
I wanna know, I wanna know

(Ah, Midnight Star) I wanna know, I wanna know  
(Ah, Midnight Star) I wanna know, I wanna know  
(Ah, Midnight Star) I wanna know, I wanna know  
(Ah, Midnight Star) Inquiring minds like mine wanna know

[illegible]

I wanna know
