Lock up the streets and houses Because there's something in the air We've got to get together sooner or later Because the revolution's here, and you know it's right And you know that it's right

We have got to get it together We have got to get it together now

Hand out the arms and ammo We're going to blast our way through here We've got to get together sooner or later Because the revolution's here, and you know it's right And you know that it's right

We have got to get it together We have got to get it together Now
