Neural transmission

Get some  
Get some  
Hurry  
(2x)

I want to live  
I want to live (learn in backing vocals)  
All summer

How low

I want to live  
I want to live (learn in backing vocals)  
All summer

How low  
Shut your eyelids  
While I stick out my neck  
It's alright

Get some  
Get some  
Hurry  
(6x)

I want to live  
I want to live (learn in backing vocals)  
All summer

How low  
Shut your eyelids  
While I stick out my neck
