

## Jello Biafra

Wesley Willis

You are a good punk rocker  
You are a singing maniac  
You can really sing your ass up to the max  
You are a good person

You are a rock and roller  
You used to be the lead singer of the Dead Kennedy's  
You sing for the band, Lard  
Keep on whooping it up

You are so friendly in the mix  
You are my great man on the run  
You are a good person from the south  
[Incomprehensible]
