

Drive (For All Time)

Westlife

It's easy to fool around it's harder to keep the faith
But I wanna settle down no matter what it takes
If I ever break your heart if I ever do you wrong
I hope I never give you cause to doubt where you belong

If a million miles were between us
I'd want you to know

If I had to drive all day take that flight
Across this ocean I'm coming home tonight
Don't let it play on your mind
Cause my devotion is for all time

Some people want it all some only want the fun
But I'm here to let you know that I'm all about the love
Some people let it show some people wait too long
Well I'm gonna tell you now that you're always number one

If a million miles were between us
I'd want you to know

If I had to drive all day take that flight
Across this ocean I'm coming home tonight
Don't let it play on your mind
Cause my devotion is for all time

If I had to drive all day take that flight
Across this ocean I'm coming home tonight
Don't let it play on your mind
Cause my devotion is for all time
