Baby, I know the story
I've seen the picture
It's written all over your face
Tell me, what's the secret
That you've been hiding
Who's gonna take my place

I should've seen it coming I should have read the signs Anyway...I guess it's over

Can't believe that I'm the fool again I thought this love would never end How was I to know
You never told me
Can't believe that I'm the fool again
And I who thought you were my friend
How was I to know
You never told me

Baby, you should've called me When you were lonely When you needed me to be there

Sadly, you never gave me two many chances To show how much I care

I should've seen it coming I should have read the signs Anyway...I guess it's over

Can't believe that I'm the fool again I thought this love would never end How was I to know You never told me
Can't believe that I'm the fool again And I who thought you were my friend How was I to know You never told me

About the pain and the tears Oh, Oh, Oh
If I could, I would
Turn back the time

I should've seen it coming I should have read the signs Anyway...I guess it's over

Can't believe that I'm the fool again I thought this love would never end How was I to know You never told me
Can't believe that I'm the fool again And I who thought you were my friend How was I to know You never told me

Can't believe that I'm the fool again I thought this love would never end How was I to know
You never told me
Can't believe that I'm the fool again
And I who thought you were my friend
How was I to know
You never told me
