

# Forever

Westlife

I'll be loving you forever  
deep inside my heart you'll leave me never  
even if you took my heart and tore it apart  
I would love you still, forever

you are the sun  
you are my life  
and you're the last thing on my mind before I go to  
sleep at night  
you're always round when I'm in need  
when troubles on my mind you put my soul at ease  
there is no one in this world, who could love me like  
you do  
that is the reasons that I wanna spend forever with you

I'll be loving you forever  
deep inside my heart you'll leave me never  
even if you took my heart and tore it apart  
I would love you still, forever

we've had our fun  
and we've made mistakes  
but who'd have guessed along the road we'd learn to  
give and take  
it's so much more than i could have dreamed, I could  
have dreamed  
cause you make loving you so easy for me  
there is no one in this world, who could love me like you do  
that is the reason that I wanna spend forever with you

I'll be loving you forever (forever)  
deep inside my heart you'll leave me never (you never leave, no)  
even if you took my heart (took my heart)  
and tore it apart (and tore it appart girl)  
I would love you still, forever

and girl I pray you'll leave me never

cos this is the world where lovers often go astray  
but if we love each other we won't go that way  
so put your doubts aside  
do what it takes to make it right  
cos i love you forever no one can tear us apart.

I'll be loving you forever (forever)  
deep inside my heart you'll leave me never  
even if you took my heart (took my heart, girl) and  
tore it apart (and tore it apart, now )  
I would love you still, forever (forever)

I'll be loving you forever (forever)  
deep inside my heart you'll leave me never  
even if you took my heart (took my heart girl) and  
tore it apart (and tore it appart now)  
I would love you still, forever

I'll be loving you forever

deep inside my heart you'll leave me never  
even if you took my heart and tore it apart  
I would love you still, forever
