

# Get Away

Westlife

Ooo...Ooo...

I can't believe it happened to us  
Tell me how did we get lost in it all  
Maybe we could do with a change  
And get back to yesterday

So pack your bags and sleep tight  
Coz tomorrow babe we're gonna make it alright  
It's gonna be alright  
Let's Go

R: Gotta get away somehow now  
Gotta find a way out of town  
Gonna run away there's no thread of doubt  
Gotta get away now  
Anywhere you want  
I don't care  
Just as long as you are there  
All I know is that we can't stay another day  
Gotta get away now

Ooo...ooo...

Gotta get away now

So call work and tell them you're done  
Change your voicemail to 'I'm not home now'  
Few days doesn't have to be long  
Just enough to get some space now

So pack your bags and sleep tight  
Coz tomorrow babe, it's you and me time  
It's gonna be alright  
Let's go

R: Gotta get away somehow now...

We can sit, we can talk  
We can make love for hours  
Don't have to worry 'bout  
Any little thing at all  
I'm yours  
You're mine  
I'm yours  
So let's go

R: Gotta get away somehow now...

Gotta get away (gotta get away...)  
Gotta get away (gonna run away...)  
Anywhere you want  
I don't care  
Just as long as you are there  
All I know is that we can't stay another day  
Gotta get away now
