

# Hit You With The Real Thing

Westlife

Shane:

It's 99 degrees and the temperature is creeping up  
I felt your foundation via great amount in moderate  
I've almost got you there so let me take you all the way  
a taste is stimulating keep you hot like

Chorus (all):

What (take it till you're high and low)  
Like how (system overload)  
Like who (sure you'r wanna rock the boat)  
And hit you with the real thing

What (rock you from the left to right)  
Like how (electro paradise)  
Like who (if you wanna up your line)  
And hit you with the real thing

Shane:

Taste the infinity and mysteries surrounding you  
Erotic stereo it's in the bass and trebble too

Mark:

Come hold your hands above your head and let them levitate  
And be hypnotic and the trip won't stop

Chorus (all):

Like what (take it till you're high and low)  
Like how (system overload)  
Like who (sure you wanna rock the boat)  
And hit you with the real thing

What (rock you from the left to right)  
Like how (electro paradise)  
Like who (if you wanna up your line)  
And hit you with the real thing

Mark:

Need you more than enough  
Ecstasy till your insane, yeah  
Find adrenaline rush  
Feel the power through your veins  
And hit you with the real thing

(Bring it till you're high and low)  
(System overload)

Shane:

I'm gonna show you how I'm rocking the boat  
(Rock you from the left to right)  
(Electro paradise)  
I'm gonna hit you with the real thing
