## Bryan: Life without taking chances Is no kind of life at all You've gotta stand up for something Even if you might fall Shane: Gotta take that road Wherever it might go No matter where No matter what I want you to know I want you to know Chorus (Shane): I... Try to do my best To do the best I could Had to give my all It's what I had to do And I'd... Do it all again And that's the honest truth I... I did it for you Mark: Maybe I was crazy I guess I was sometimes And maybe it's hard to chase this But I had to know what's right Everyday you've got to live For what you believe Please understand I had no choice It's what had to be It's what had to be Chorus (Shane): Try to do my best To do the best I could Had to give my all It's what I had to do And I'd... Do it all again And that's the honest truth I did it for you Shane: Oh, And I had no choice, no It was something that I believed
