

If Your Heart's Not In It

Westlife

I'm missing you
Girl even though you're right here by my side
Cause lately it seems
The distance between us is growing too wide

I'm so afraid that you're saying it's over
The last thing that I wanna hear

But if your heart's not in it for real
Please don't try to fake what you don't feel
If love's already gone
It's not fair to lead me on
Cause I would give the whole world for you
Anything you ask of me I'd do
But I won't ask you to stay
I'd rather walk away
If your heart's not in it

You say that you love me
But baby sometimes
You're just saying the words
If you've got somethin' to tell me
Don't keep it inside
Let it be heard

I'm so afraid that you're saying it's over
Girl I'll make it easy for you

If your heart's not in it for real
Please don't try to fake what you don't feel
If love's already gone
It's not fair to lead me on
Cause I would give the whole world for you
Anything you ask of me I'd do
But I won't ask you to stay
I'd rather walk away
If your heart's not in it

How I wish I could take us back in time
But it's gone too far now we can't rewind (And there's nothing that I can do
, to stop me losin' you)
I can't make you change your mind (If your heart's not in it)

If your heart's not in it for real
Please don't try to fake what you don't feel
But I won't ask you to stay
I'd rather walk away
If your heart's not in it for real
Please don't try to fake what you don't feel
If love's already gone
It's not fair to lead me on
Cause I would give the whole world for you
Anything you ask of me I'd do
