Last Mile Of The Way

Westlife

I want you with me
When the ground starts to shake
I want you with me
Each day when I wake

And I hope you forgive me All my mistakes And yes, I'll be with you To the last mile of the way

Like day turns to night Stone turns to dust (yeah) Like life becomes memories Steel becomes rust

Pain's just a lesson learned We'll look back one day And I'll take you with me To the last mile of the way

Oh yeah
To the last mile of the way

To the last mile of the way

It's time to move on now So don't be afraid We should remember The roles that we played

Whether the future
Has dark or bright days
I will still love you
Yeah... to the last mile of the way

To the last mile of the way

To the last mile... of the way
