

# Miss You

Westlife

I can't sleep,  
I just can't breathe,  
when your shadow is all over me, baby.  
Don't wanna be a fool in your eyes,  
'Cause what we had was built on lies.  
And when our love seems to fade away,  
Listen to me - hear what I say  
I don't wanna feel the way that I do,  
I just wanna be right here with you,  
I don't wanna see, see us apart,  
I just wanna say it straight from my heart:

I miss you  
What would it take for you to see?  
To make you understand,  
that I'll always believe {always believe}  
You and I can make it through,  
And I still know I can't get over you.  
'Cause when our love seems to fade away,  
Listen to me - hear what I say

I don't wanna feel the way that I do  
I just wanna be right here with you,  
I don't wanna see, see us apart {see us apart}  
I just wanna say it straight from my heart:

oh, baby I miss you, I do

'Cause when our love always fades away,  
Listen to me - hear what I say

I don't wanna feel the way that I do,  
I just wanna be right here with you,  
I don't wanna see, see us apart, {oh no, see us apart}  
I just wanna say it straight from my heart:

I miss you, I miss you, I do

I don't wanna feel the way that I do {the way that I do}  
I just wanna be {just wanna be} right here with you {right here with you}  
I don't wanna see {don't wanna see} see us apart {see us apart, oh, baby}  
I just wanna say it straight from my heart:  
oh baby I miss you, I do
