

Miss You

Westlife

I can't sleep,
I just can't breathe,
when your shadow is all over me, baby.
Don't wanna be a fool in your eyes,
'Cause what we had was built on lies.
And when our love seems to fade away,
Listen to me - hear what I say
I don't wanna feel the way that I do,
I just wanna be right here with you,
I don't wanna see, see us apart,
I just wanna say it straight from my heart:

I miss you
What would it take for you to see?
To make you understand,
that I'll always believe {always believe}
You and I can make it through,
And I still know I can't get over you.
'Cause when our love seems to fade away,
Listen to me - hear what I say

I don't wanna feel the way that I do
I just wanna be right here with you,
I don't wanna see, see us apart {see us apart}
I just wanna say it straight from my heart:

oh, baby I miss you, I do

'Cause when our love always fades away,
Listen to me - hear what I say

I don't wanna feel the way that I do,
I just wanna be right here with you,
I don't wanna see, see us apart, {oh no, see us apart}
I just wanna say it straight from my heart:

I miss you, I miss you, I do

I don't wanna feel the way that I do {the way that I do}
I just wanna be {just wanna be} right here with you {right here with you}
I don't wanna see {don't wanna see} see us apart {see us apart, oh, baby}
I just wanna say it straight from my heart:
oh baby I miss you, I do
