

# Nothing's Going To Change My Love For You

Westlife

If I had to live my life without you near me  
Days would all be empty  
And nights would seem so long  
With you I see forever wrote so clearly  
Might have been in love before  
But never felt this strong

My dreams are young we both know  
To take us to where we want to go  
Hold me now, touch me now  
I don't want to live without you

Nothing's going to change my love for you  
You already know by now how much I love you  
One thing you can be sure of, I'll never ask for more than your love  
Nothing's going to change my love for you  
You already know by now how much I love you  
The one that changed my whole life through  
But nothing's going to change my love for you

If the road ahead is not so easy  
Love will lead the way for once  
Like a guiding star  
I'll be there for you if you should need me  
You don't have to change a thing  
But be just the way you are

Come with me and share the view  
I'll help you see forever too  
Hold me now, touch me now  
I don't want to live without you

Nothing's going to change my love for you  
You already know by now how much I love you  
One thing you can be sure of, I'll never ask for more than your love  
Nothing's going to change my love for you  
You already know by now how much I love you  
The one that changed my whole life through  
But nothing's going to change my love for you

Nothing's going to change my love for you  
You already know by now how much I love you  
The one that changed my whole life through  
But nothing's going to change my love for you

Nothing's going to change my love for you (yeah
