

Please Stay

Westlife

If I got on my knees and I pleaded with you
Not to go but to stay in my arms
Would you walk out the door
Like you did once before

This time be different
Please stay , don't go

If I call out your name like a prayer
Would you leave me alone with my tears
Knowing I need you so
Would you still turn and go

This time be different
Please stay , don't go
Please stay

I loved you before I even knew your name
And I wanted to give you my heart
But then you came back after leaving me one time
I knew that the heartache would start

If I called out your name like a song
That was written for you , you alone
Would you still hurt my pride?
How I cried

This time be different,
Please stay
Please stay , don't go
Please stay , don't go
Please stay
