## **The Easy Way**

Listen girl Just let me talk to you I just want to be with you So why should I play it cool You and me, we've got a chemistry So I don't need poetry To say what you mean to me See I'm not into buying your affections With a diamond on a necklace There's a realer way to do it girl I don't need to throw you all these Lines just so you know I know you're fine, I'm going to come Right out and say it girl I, love you I, love you What's wrong with saying it the easy way I, love you I, love you What's wrong with saying it the easy way Pretty girl I don't want to play no more Been there, done that before I've never been so sure About what I feel Let's get it on for real Why should I hold it back When all I want to say is that (yeah) I'm not into buying your affections With a diamond on a necklace There's a realer way to do it girl I'll spend all the time I have with you I'd never treat you bad Ain't that enough to show you That you are my world I, love you I, love you What's wrong with saying it the easy way I, love you I, love you What's wrong with saying it the easy way Aw I love you I love you, I love you the easy way I love you Yeah, yeah, yeah See, I'm not into buying your affections With a diamond on a necklace There's a realer way to do it girl I'll spend all the time I have with you

I never treat you bad
