

# Total Eclipse Of The Heart

Westlife

Turn around...

Every now and then I get a little bit lonely,  
and you're never coming round...

Turn around...

Every now and then I get a little bit tired,  
of listening to the sound of my tears...

Turn around...

Every now and then I get a little bit nervous,  
that the best of all the years have gone by...

Turn around...

Every now and then I get a little bit terrified,  
and then I see the look in your eyes...

Turn around, bright eyes

Every now and then I fall apart

Turn around, bright eyes

Every now and then I fall apart

And I need you now tonight

And I need you more than ever

And if you only hold me tight

We'll be holding on forever

And we'll only be making it right

'Cause we'll never be wrong...

Together we can take it to the end of the line

Your love is like a shadow on me all of the time (All of the time)

I don't know what to do and

I'm always in the dark

We're living in a powder keg

And giving off sparks

I really need you tonight

Forever's gonna start tonight

Forever's gonna start tonight

Once upon a time I was falling in love

But now I'm only falling apart

There's nothing I can do

A total eclipse of the heart

Once upon a time there was light in my life

But now there's only love in the dark

Nothing I can do

A total eclipse of the heart

Turn around...

Every now and then I get a little bit breathless,  
and I dream of something wild...

Turn around...

Every now and then I get a little bit helpless,  
and I'm lying like a child in your arms...

Turn around...

Every now and then I get a little bit angry,  
and I know i've got to get out and cry

Turn around...

Every now and then I get a little bit terrified,  
and then I see the look in your eyes...

Turn around, bright eyes

Every now and then I fall apart

Turn around, bright eyes  
Every now and then I fall apart

And I need you now tonight (And I need you)  
And I need you more than ever  
And if you only hold me tight (And if you only)  
We'll be holding on forever  
And we'll only be making it right (We will make it)  
'Cause we'll never be wrong  
Together we can take it to the end of the line (Uhhh)  
Your love is like a shadow on me all of the time (All of the time)  
I don't know what to do  
And I'm always in the dark  
We're living in a powder keg  
And giving off sparks  
I really need you tonight  
Forever's gonna start tonight  
Forever's gonna start tonight

Once upon a time I was falling in love  
But now I'm only falling apart  
Nothing I can do  
A total eclipse of the heart

Total eclipse of the heart
