

Try Again

Westlife

Hush now, don't you cry
There will be a better day
I promise you
We can work it out
But only if you let me know
What's on your mind

Baby, I thought it was forever
Through any kind of weather
But someday you will find what you're searching for

Try again
Never stop believing
Try again
Don't give up on your love
Stumble and fall
It's the heart of it all
When you fall down (down)
Just try again

Smile now, let it go
Hey, you will never be alone
I promise you
If you can't fight the feeling (oh yeah)
Surrender in your heart
Remember love will set you free

Baby, I thought it was forever
We will always be together
But someday you will find what you're searching for

Chorus:
Try again
Never stop believing
Try again
Don't give up on your love
Stumble and fall
It's the heart of it all
So, when you fall down
Just try again

Bridge:
Baby when a heart is crying
It's sometimes feels like dying
The tear drops fall like rain (ooh..)

Baby, I thought it was forever
We would always be together
But someday you will find what you're searching for

Chorus:
Try again
Never stop believing
Try again
Don't give up on your love (Don't give up on your love)
Try again (Just try again)
Never stop believing

Try again
Don't give up on your love
Stumble and fall
It's the heart of it all
When you fall down
Just try again
