

Tunnel of Love

Westlife

I've made up my mind
I'm gonna follow
I'm no longer blind
No longer hollow
Since I met you
My life is upside down
Oohh yeah

They say
Once in a lifetime
Out of the blue
Here comes an angel
I know its you

Yes I'm ready to go through
The Tunnel of love
Yes Im ready to be all
Your dreaming of
So I swear to you now
And the stars above
Lets walk through
The Tunnel of love

I want you to know
For the first time
I know where to go
For the first time
I'm not afraid
To open up my heart
Oh no

They say
Once in a lifetime
Out of the blue
Here comes an angel
I know its you
Yes I'm ready to go through
The tunnel of love
Yes I'm ready to be all
Your dreaming of

So I swear to you now
And the stars above
Lets walk through
The tunnel of love

Light of my life keeps
Shining baby
Light of my life
Oohh

Once in a lifetime
Out of the blue
Here comes an angel
I know its you
No one has touched me
Like you

Yes I want you baby
No one no noone have loved me
So true
Yes I'm ready to go through
The tunnel of love
Yes I'm ready to be all
Your dreaming of

So swear I to you now
And the stars above

Lets walk through
The tunnel of love
Ooh yeah

So I swear to you now
And the stars above
Lets walk through
The tunnel of love
