

# Where We Belong

Westlife

Shane:

Being interviewed by somebody  
in a hotel lobby  
She says where do you come from  
Now I'd really like to talk about it  
but if you write it  
please don't get it wrong

Mark:

Mum said you should always aim high  
to a kid with a glint in his eye  
She would never lie

R: And now we're four years on  
feels like we've just begun  
never forget this is where we belong  
Everytime that we talk about moving on  
it turns into a song  
Cause together we're strong (oh we're strong)  
like the place we come from  
This is where we belong

Nicky:

Next question  
I bet I've heard this one before  
No we're not about to stop (no no)

Bryan:

So let me ask you something  
When we got something this good  
tell me why would we give up

Mark:

Mum said you should always aim high  
to a kid with a glint in his eyes  
She would never lie (no no)

R: And now we're four years on (four years on)  
feels like we've just begun (just begun)  
Never forget this is where we belong (oh yeah)  
Everytime that we talk about moving on  
it turns into a song  
cause together we're strong (oh we're strong)  
like the place we come from  
this is where we belong

Kian:

Last question  
Now I've really got to go  
till the next time (next time)

yeah yeah

R: And now we're four years on (four years on)  
feels like we've just begun (just begun)  
never forget this is where we belong (yeah yeah)  
Everytime that we talk about moving on

it turns into a song  
Cause together we're strong (yeah yeah)  
like the place we come from (together we're strong)  
This is where we belong

And now we're four years on  
feels like we've just begun  
Never forget this is where we belong (never)  
Everytime that we talk about moving on (talk about moving on)  
it turns into a song  
Cause together we're strong  
like the place we come from  
This is where we belong
