

# Why Do I Love You

Westlife

Suddenly she's, leaving  
Suddenly the, promise of love has gone  
Suddenly, breathing seems so hard to do

Carefully you, planned it  
I got to know just, a minute to late, oh girl  
now I understand it  
All the times we, made love together  
baby you were thinking of him

Why do I love you  
Don't even want to  
Why do I love you like I do  
Like I always do  
You should've told me,  
Why did you have to be untrue (love you like I do)  
Why do I love you like I do

Ain't gonna show no, weakness  
I'm gonna smile, and tell the whole world I'm fine  
I'm gonna keep my senses,  
but deep down, when no one can hear me  
baby I'll be crying for you

Why do I love you  
Don't even want to  
Why do I love you like I do  
Like I always do  
You should've told me,  
Why did you have to be untrue (love you like I do)  
Why do I love you like I do

Can't go back, can't erase  
Baby, your smiling face, oh no  
I can think of nothing else but you  
Suddenly

Why do I love you  
Don't even want to  
Why do I love you like I do  
Like I always do  
You should've told me,  
Why did you have to be untrue (love you like I do)  
Why do I love you like I do
