

Why Do I Love You

Westlife

Suddenly she's, leaving
Suddenly the, promise of love has gone
Suddenly, breathing seems so hard to do

Carefully you, planned it
I got to know just, a minute to late, oh girl
now I understand it
All the times we, made love together
baby you were thinking of him

Why do I love you
Don't even want to
Why do I love you like I do
Like I always do
You should've told me,
Why did you have to be untrue (love you like I do)
Why do I love you like I do

Ain't gonna show no, weakness
I'm gonna smile, and tell the whole world I'm fine
I'm gonna keep my senses,
but deep down, when no one can hear me
baby I'll be crying for you

Why do I love you
Don't even want to
Why do I love you like I do
Like I always do
You should've told me,
Why did you have to be untrue (love you like I do)
Why do I love you like I do

Can't go back, can't erase
Baby, your smiling face, oh no
I can think of nothing else but you
Suddenly

Why do I love you
Don't even want to
Why do I love you like I do
Like I always do
You should've told me,
Why did you have to be untrue (love you like I do)
Why do I love you like I do
