

# Brick House

Wet Wet Wet

Gimme the horns  
Ah She's a brickhouse  
She's mighty mighty, just lettin' it all hang out  
She's a brickhouse  
The lady's stacked and that's a fact,  
There ain't hold nothing back

Now she's a brickhouse  
We're together, everybody knows,  
And this is how the story goes.

She knows she's got everything  
That a woman needs to get a man, yeah, yeah, yeah  
How can she lose, with the stuff that she use  
36-24-36, oh what a winning hand!

She's a brickhouse  
She's mighty mighty, just lettin' it all hang out  
Ah, she's a brickhouse  
The lady's stacked and that's a fact,  
There ain't hold nothing back.

Now she's a brickhouse  
She's the one the only one built like an amazon

The clothes she wears, her sexy ways,  
Make an old man wish for younger days, yeah, yeah, yeah  
She knows she's built, she knows how to please  
Sure enough to bring a strong man to his knees

She's a brickhouse  
She's mighty mighty, just lettin' it all hang out  
She's a brickhouse, yeah  
The lady's stacked and that's a fact,  
There ain't hold nothing back.

Shake it down, shake it down, down  
Shake it down, shake it down, down  
Shake it down, shake it down, down

Shake it, Shake it, Shake it

Shake it down, shake it down, down  
Take it down, take it down, down  
Take it down, take it down, down

Break it down  
Break it down

Yoh

Put your hands in the air like you don't care

Can I get a witness  
Can I get a witness  
Can I get a witness

She's a brickhouse, yeah  
She's mighty mighty, just lettin' it all hang out  
She's a brickhouse  
And she's the one the only one built like an amazon

She's a brickhouse  
She's mighty mighty, just lettin' it all hang out  
She's a brickhouse  
She's the one the only one built like an amazon  
She's a brickhouse  
She's mighty mighty, just lettin' it all hang out, yeah
