

# Home Tonight

Wet Wet Wet

If this is paradise  
Then I don't recognise  
That subtle look that's in your eyes  
And in the distance now  
I hear your whispers, love  
And see my dreams go fading by, by

Take me away  
From this moment

I wanna shut the door  
I'm not taking anymore  
It's me they want to give away

And I don't want to know  
And I don't want to go  
All I want is home tonight  
All I want is home tonight

A love so precious now,  
Lights me up inside  
My darkest night could never hide  
Elegant and divine  
She wears a diamond smile  
The girl's perfection guaranteed

Don't take away  
This moment from me

I wanna hold her close  
It's her I want the most  
Don't want to let her slip away.

And I don't want to know  
And I don't want to go  
All I want is home tonight  
All I want is home tonight  
All I want is home...  
Tonight

And I don't want to know  
And I don't want to go  
And I don't want to know
