

# I Can Give You Everything

Wet Wet Wet

Hurry won't you hurry

Light my eye with your smile  
Cross my palm with your thought  
For the hand that meets the eye  
Brings you closer to my mind  
Cos in one crowded hour  
You plan to make all the moments  
(plan to make all the moments)  
Last a lifetime

I can give you everything  
I can give you everything  
I can give you everything  
That I want to give

All alone in the heat of the night  
Say come on lets be strong  
Kindle my soul  
For you are my pride and joy

For it is precious  
Sing rejoice, sing rejoice  
For I bring you good tidings

I can give you everything  
I can give you everything  
I can give you everything  
That I want to give

All washed up and dirty  
I had no place to go  
I had no place to go  
I can give you everything  
I can give you everything  
I can give you everything  
That I want

Come on with your everything
