

This Time

Wet Wet Wet

Oh, this time
I'm not gonna let you get away
Oh, this time
I'll find a way to make you stay
When I say I love you
I'm serious,
Coz this time

Oh, this time
I'll make this house a happy home
There's nothing to change about you girl
Coz this time

This time
I won't listen to what my friends say
Oh, this time
Gonna do everything my way
Oh, this time
I'll change my attitude
Oh, this time
I'll make all your dreams come true
This time
I won't stand to see you cry before I leave
Girl you know I'd rather die
When the sun beats through my window
I'll be loving you and you'll be loving me
This time

This time
I won't listen to what my friends say
Oh, this time
Gonna do everything my way
Oh, this time
I'll change my attitude
Oh, this time
I'll make all your dreams come true
This time
I won't stand to see you cry before I leave
Girl you know I'd rather die
When the sun beats through my window
I'll be loving you and you'll be loving me
This time

Oh this time
Oh this time, oh please please stay
Oh this time, oh please please stay
