

With A Little Help From My Friends

Wet Wet Wet

What would you think if I sang out of tune
Would you stand up and walk out on me
Lend me your ears and I'll sing you a song
And I'll try not to sing out of key

Oh, I'll get by with a little help from my friends
Oh, I'll get high with a little help from my friends
Oh, I'll get by with a little help from my friends, my friends

What do you do when our love is away
Does it worry you to be alone
And how does it feel by the end of the day
Are you sad because you're on your own

Oh, I'll get by with a little help from my friends
Oh, I'll get high with a little help from my friends
Oh I'll get by with a little help from my friends
Do you need any body
I need somebody to love
Could it be anybody
I need somebody to love, to love, to love

Would you believe in this love at first sight
Yes I'm certain that it happens all the time
What do you see when you turn out the light
I can't tell you but I know that it's mine

Oh, I'll get by with a little help from my friends
Oh, I'll get high with a little help from my friends
Oh I'll get by with a little help from my friends
Do you need any body
I need somebody to love
Could it be anybody

I need somebody to love
Oh, I'll get by with a little help from my friends
Oh, I'll get high with a little help from my friends
Oh, I'll get high with a little help from my friends
Oh, I'll get by with a little help from my friends
With a little help from my friends, my friends, my friends
